un progetto di | a project by:

**ARCH. JOHANNA GRAWUNDER**

Le lampade e gli oggetti disegnati dall'arch. Johanna Grawunder sono stati commissionati dalla Galerie Pron per la fiera d'arte contemporanea FIAC di Parigi.

Questi oggetti di design sono stati recensiti con un articolo apparso il 22 Ottobre 2004 su "Le Monde" che li ha definiti "eseguiti con una meccanica impeccabile".

La galleria Pron ha esposto questi oggetti di design assieme ai grandi classici del design ideati da Alvar Aalto, Marcel Breuer e Gerrit Rietveld confermando il talento e la creatività dell'arch. Johanna Grawunder.

"Le monde" ha definito gli oggetti semplicemente... magici!
